WHEREAS, the condominium map for the Project was filed as Condominium Map No. 1706 (the "Condominium Map"); and

WHEREAS, by Land Court Order No. 162891, as amended by Land Court Order No. 164081 (together referred to herein as the "Order"), the Project Land and other lands were designated as Lots 917, 918, 919, 920 and 921 as described in the Order and shown on Land Court Map 133 of Land Court Application 880; and

WHEREAS, pursuant to that certain Second Amendment of Moana Pacific Declaration of Condominium Property Regime and Amendment of Bylaws of the Association of Apartment Owners of Moana Pacific dated December 16, 2005, recorded in the Land Court as Document No. 3368576, and that certain Third Amendment of Moana Pacific Declaration of Condominium Property Regime and Amendment of Bylaws of the Association of Apartment Owners of Moana Pacific dated January 8, 2007, recorded in the Land Court as Document Nos. 3537655 and 3537656, the Declaration and Bylaws were amended to withdraw from the Project, Lots 919, 920 and 921, leaving only Lots 917 and 918 as the Project Land; and

WHEREAS, pursuant to Section 23.2 (iv) of the Declaration, the Developer reserved the right, without the joinder or consent of any other party to amend the Condominium Map to the extent necessary to reflect such withdrawal of Lots and the Developer desires to amend the Condominium Map to depict thereon only the land that remains as the Project Land and to reflect certain other changes as described herein; and

WHEREAS, pursuant to Section 8.7 of the Declaration, the Developer reserved the right without the joinder or consent of any other party to designate, grant, convey, and otherwise deal with any easements over, under, across, or through the common elements for any reasonable purpose so long as nothing is done that unreasonably interferes with the use of the affected common element for its originally intended purpose, unless such action is required to ensure the public health, safety, or welfare or to comply with any governmental rule, regulation, law, or ordinance; and

WHEREAS, pursuant to Section 8.8 of the Declaration, the reserved right in Section 8.7 of the Declaration, includes the right to execute and cause to be recorded in the Land Court any and all legal documents and other instruments including one or more amendments to the Declaration, Bylaws, and/or the Condominium Map as may be necessary to reflect changes to the Project or to the Project Land caused by or otherwise related to the exercise of the rights reserved in Section 8.7 of the Declaration. Any such instrument or amendment need only be signed by the

Developer without the joinder or consent of any other party, including any Apartment Owner, Apartment purchaser, mortgagee, lienholder, or any other person or entity whatsoever; and

WHEREAS, the building adjacent to the Project located on said Lot 919 has been constructed so as to create a minor encroachment onto the Project Land and the Developer desires to grant an easement appurtenant to said Lot 919 to maintain such encroachment (the "Encroachment Easement") and to amend the Condominium Map's site plan to include the area of the Encroachment Easement; and

WHEREAS, the Encroachment Easement involves only a minor area of the Project Land and the granting of the Encroachment Easement is for a reasonable purpose that does not unreasonably interfere with the use of the affected common element land and ensures the public health, safety, and welfare and conforms to governmental requirements; and

WHEREAS, in the course of completing construction of the Project, certain changes were made to the corridors and residential units on the floors designated as the 48th floors (the "48th Floors") of each of the Phase I Apartment Tower (also called Phase I Building in the Declaration) and the Phase II Apartment Tower (also called Phase II Building in the Declaration) of the Project; and

WHEREAS, pursuant to Section 18.2 of the Declaration, the Developer reserved the right, without the consent or joinder of any Apartment Owner, lien holder, or other person or entity, to amend the Declaration and the Condominium Map for the purpose of meeting any requirement imposed by any applicable law or by any title insurance company issuing a title insurance policy on the Project or any of the Apartments; and

WHEREAS, for purposes of issuance of title insurance, title insurance companies require that the Declaration accurately describe the apartments to be insured and the Condominium Map to fully and accurately depict the layout, location, boundaries, dimensions, and number of the units; and

WHEREAS, the changes to the residential apartment units on each of the 48th Floors of the Project as reflected in this Amendment to the Declaration are changes to the common element corridors and number of residential apartment units on said floors only, the interior layout and dimensions of said units only, and do not involve any changes to any other apartment units in the Project, or any other portion of the Project, and do not involve any changes to the common interests appurtenant to any of the condominium units other than the residential apartment units on the 48th Floors on each of the Phase I Building and Phase II Building; and

WHEREAS, Exhibit "B" to the Declaration described the Type PH-1, PH-1R, and PH-2 Apartments to be located on the 48th Floors for a total of six (6) PH Type Apartments and stated that all of the PH Type Apartments are being sold with no interior improvements; and

WHEREAS, the six (6) PH Type Apartments are the apartments designated in the Declaration as I 4801, I 4802, I 4803, II 4801, II 4802, and II 4803 and are all owned by the Developer as evidenced by Land Court Certificate of Title Number 840,513 issued to the Developer; and

WHEREAS, in completing construction of the Project, a total of thirteen (13) residential type apartments with interior improvements were constructed on the 48th Floors in place of the six (6) PH Type Apartments without interior improvements. The thirteen (13) residential type apartments include six (6) residential apartment units constructed on the 48th Floor of the Phase I Building and seven (7) residential apartment units constructed on the 48th Floor of the Phase II Building (the "Substituted Thirteen Residential Apartment Units"); and

WHEREAS, the Substituted Thirteen Residential Apartment Units with interior improvements are described in Exhibit "B" attached hereto to be substituted for the Exhibit "B" attached to the Declaration; and

WHEREAS, the aggregate common interest described in the Declaration as appurtenant to the six residential apartment units on the 48th Floors have been allocated among the Substituted Thirteen Residential Apartment Units and are to be assigned as described herein as the aggregate common interest appurtenant to the Substituted Thirteen Residential Apartment Units on the 48th Floors and the common interest appurtenant to all other apartment units in the Project remain unchanged; and

WHEREAS, the Developer desires to amend the Declaration in order to change the description of the residential apartment units on the 48th Floors so as to accurately reflect and describe how such units have been constructed and to make the description in the Declaration as amended hereby consistent with the apartment units actually constructed on the 48th Floors and to amend the Condominium Map by substituting revised pages that fully and accurately depict the layout, location, boundaries, dimensions and number of the units substantially as built all as set forth below;

NOW, THEREFORE, in order to describe the residential apartment units on the floors designated as the 48th floor on the Phase I Building and all of the apartment units in the Phase II Building as they have been constructed and in order to reflect the resulting change in the total number of residential apartment units in the Project and to allocate the common interests (previously appurtenant to the residential apartment units on the 48th floors) among the Substituted Thirteen Residential Apartment Units, to create the Encroachment Easement and in order that the Condominium Map reflect all of the foregoing changes, the Developer does hereby amend the Declaration and the Condominium Map as follows:

1. The following sections of the Declaration are amended to read as follows:
